**CERTIFICATE OF AUTHENTICITY OF DOMESTIC
RECORDS PURSUANT TO FEDERAL RULES OF
EVIDENCE 902(11) AND 902(13)**

I, Leslie Pearlson, attest, under penalties of perjury by the laws of the United States of America, pursuant to 28 U.S.C. § 1746, that the information contained in this Certification is true and correct.

I am employed by GoTo Group, Inc. (formerly known as LogMeIn, Inc.), and my title is Associate General Counsel. I am qualified to authenticate the records attached hereto because I am familiar with how the records were created, managed, stored, and retrieved.

I state that the records attached hereto are true and correct duplicates of the original records in the custody of GoTo Group, Inc. (with additional duplication described below). The records attached hereto consist of the following:

Pages 1-3 contain Account Information excerpted directly from GoTo Group Inc's Business Systems connected to the email address r.bowers@onedingo.com. Pulled directly from the system, these pages truncate information and cut off the full data in the account (specifically, IP addresses). The material has been reproduced in full (via cut and paste) on pages 7-16 to display the full list of IP addresses recorded.

Pages 4-6 contain Site List information excerpted directly from GoTo Group Inc's Business Systems connected to the email address r.bowers@onedingo.com. Websites with a strikethrough font listed on the record indicate they have been deleted from the customer's LastPass Account.

I further state that:

1. All records attached to this certificate were made at or near the time of the occurrence of the matter set forth by, or from information transmitted by, a person with knowledge of those matters, they were kept in the ordinary course of the regularly conducted business activity of GoTo Group, Inc. and they were made by GoTo Group, Inc. as a regular practice; and

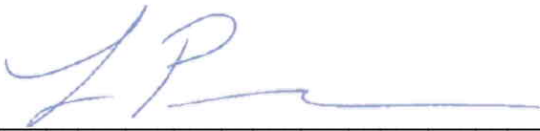

2. Such records were generated by GoTo Group, Inc.'s electronic process or system that produces an accurate result, to wit:

a. The records were copied from electronic device(s), storage medium(s), or file(s) in the custody of GoTo Group, Inc. in a manner to ensure that they are true duplicates of the original records; and

b. The process or system is regularly verified by GoTo Group Inc. and at all times pertinent to the records certified here, the process and system functioned properly and normally.

I further state that this certification is intended to satisfy Rules 902(11) and 902(13) of the Federal Rules of Evidence.
