**CERTIFICATE OF AUTHENTICITY OF DOMESTIC
RECORDS PURSUANT TO FEDERAL RULES OF
EVIDENCE 902(11) AND 902(13)**

I, Brenden Walsh, attest, under penalties of perjury by the laws of the United States of America, pursuant to 28 U.S.C. § 1746, that the information contained in this Certification is true and correct.

I am employed by Stripe Inc. (hereinafter, "Provider"), and my title is Legal Process Manager. I am qualified to authenticate the records previously provided in this investigation because I am familiar with how the records were created, managed, stored, and retrieved.

I state that on or about June 2, 2023, Provider provided to the United States records further described below, which are true and duplicates of the original records in the custody of Provider. The records previously provided consist of the following:

A Microsoft Excel spreadsheet automatically exported directly from Stripe's databases, including merchant and cardholder information associated with the account of Robert Bowers, including the address listed on card payments, IP address on card payments, email address on card payments, merchants relevant payments were made to, card used, card bank, Stripe account number, address on Stripe account, email on Stripe account.

General Description of Records (gigabytes, number of discs, pages)

I further state that:

1. All records previously provided were made at or near the time of the occurrence of the matter set forth by, or from information transmitted by, a person with knowledge of those matters, they were kept in the ordinary course of the regularly conducted business activity of Provider, and they were made by Provider as a regular practice; and

2. Such records were generated by Provider's electronic process or system that produces an accurate result, to wit:

a. The records were copied from electronic device(s), storage medium(s), or file(s) in the custody of Provider in a manner to ensure that they are true duplicates of the original records; and

b. The process or system is regularly verified by Provider and at all times pertinent to the records certified here, the process and system functioned properly and normally.

I further state that this certification is intended to satisfy Rules 902(11) and 902(13) of the Federal Rules of Evidence.
