LEAD WARNING: Discharging firearms in poorly ventilated areas, cleaning firearms, or handling ammunition may result in exposure to lead and other substances known to cause birth defects, reproductive harm, and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure.

AVERTISSEMENT PLOMB: Décharger les armes dans des endroits peu ou mal ventilés, nettoyer les armes ou manipuler des cartouches peut entraîner une exposition au plomb et à d'autres substances qui causent des anomalies congénitales, des troubles de la reproduction et d'autres blessures physiques graves. S'assurer d'une ventilation adéquate en tout temps. Laver les mains à fond après l'exposition.
