

Attorneys seeking an expert for a particular case are encouraged to call 949-723-2211 for a free consultation about the issues in the case and the experts who might best address those issues.

If you already know the name of a particular PD&A expert suitable for your case, click on the expert's name below to send an e-mail. Please do not reveal any privileged information until a conflict check has been completed. Please note that PD&A experts are licensed in a variety of jurisdictions in the U.S. and Canada.

Click on a name below to send that expert an email message.
